Dear Friends,

We hope this message finds you well. As we prepare for the Taps and Apps Fundraiser, we are reaching out to invite you to join us in supporting a cause that is close to our hearts at the Neighborhood House of Long Island.

Our organization is dedicated to providing crucial support groups for individuals and families who are navigating the challenging journey of healing after a traumatic loss. The need for these services is greater than ever, and with your help, we can continue to offer a safe space where those affected can connect, hope, and heal.

We are seeking donations to help us sustain and expand these vital programs. Your generous sponsorship would not only allow us to continue our work but also ensure that no one has to face their grief alone. We offer a variety of sponsorship levels, each with opportunities for recognition and partnership throughout our fundraising efforts.

By partnering with us, you will be making a meaningful impact on the lives of those who need it most. We would be honored to have you as a sponsor and to work together towards helping to heal our community.

Thank you for considering this important opportunity to make a difference. Please feel free to contact us directly at 631-589-0055 or info@tnh-hope.org if you have any questions or would like to discuss sponsorship options in more detail.

With sincere gratitude,

The Neighborhood House

CONNECT. HOPE. HEAL.
